SUMMER 2020 **ANNUAL SUBSCRIPTIONS 2020**

Members' Annual Subscriptions traditionally cover each Calendar Year. In view of the current disruptions to normal activities in the Village and the likelihood of this continuing for many weeks to come, due to the Corona Virus outbreak, the Committee has decided to extend the period covered by this Year's Subscription until 30th June 2021.

Many members have already paid the 2020 Subscription, these will be carried forward to 2021.

Hundred Club Lottery Draws

We will advise Members when it will be convenient to hold Lottery Draws.

The Final Draw for the period to 31st March 2020 (using last Year's allocated numbers) which should have been made at the March AGM (postponed) will be made by the Committee Members when it is considered safe to do so.

For those Members who have already paid for THIS YEAR'S Lottery Draws, New Numbers will be allocated and Members advised accordingly.
